	QUERIES RAISED BY EPICONS INFRASTRUCTURE Pvt Ltd	
1	For Similar works, it is mentioned in the said tender that civil engineering construction works only instead of that we suggest to mention, repairs to potholes and damaged surfaces by cold mix injection porthole patching machine only. As these are specialized type of works, we suggest you to amend this condition to get better quality of work and output, which is normally mentioned in similar tenders by majority of authorities.	Clause 3.2 (b) to be read as below; Satisfactorily completed (at least 50% of the contract value) as prime contractor, at least one similar work such as "Repairs to potholes and damaged road surfaces using Jet Patcher Automatic cold mix injection machine" of value not less than Rs. 106.00 Lakhs.
2	We suggest you to mention cold mix injection potholes patching machine instead of jet patcher machine only so that there can be healthy competition or more bidders can participate in the said tender, further now a days many efficient machineries are available so similar type of injection pothole machines shall be amended.	Tender Condition prevails.
